

Appeal for Support for our Needy Brothers and Sisters

Beloved Brothers and Sisters in Christ,

Once again, our Guild appeals to your Christian love, with the encouragement and blessing of our Most Reverend Metropolitan Cyprian, so that you may help us provide our fellow people in need with the essentials required for their basic daily sustenance

The rise in prices and the decrease in regular monetary offerings make our work of assisting our destitute Brothers and Sisters more difficult.

For this purpose, we are collecting food items such as milk, sugar, pasta, tomato, rice, lentils, beans, flour, oil, yellow cheese, feta, frozen meat, cleaning supplies, personal-care items, or anything else each person may wish to offer, at the “St. Philaret the Merciful Guild,” 107 Phyle Avenue, Phyle, Attica.
