

They Sing the Song of the Lamb

(Revelation 15:3)

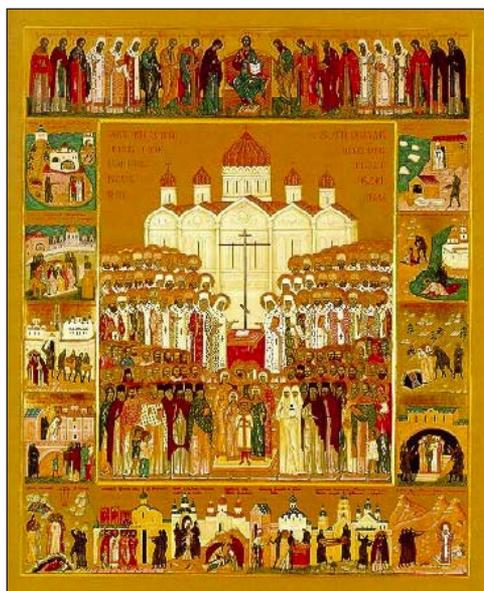

On the occasion of the sacred memorial of

All the New Martyrs of Russia

25 January

*Apolytikion**

Fourth Tone. Ταχὺ προκατάλαβε.

The choir of Russian New Martyrs devoutly withstood, by Christ's Divine Grace, the haughtiness of the atheists and the hatred of their persecutors; and the assembly of the Orthodox crieth out with gladness:

Rejoice, ye new luminaries of the Church; entreat Christ that all of us may be saved.
