

Holy Trinity Church in Spring Hill, Florida

On the Sunday of the Prodigal Son, 2013, Deacon Father Dr. Peter Bushunow, Diakonissa Melissa, and their family visited the Holy Trinity parish in Spring Hill, Florida, a small mission in our Exarchate, served in retirement by Father George Poullas and his wife, Presbytera Maria. Father George and Father Peter celebrated the Divine Liturgy, after which Father George blessed κόλλυβα (*kollyva*) in honor of his mother, Anthousa.

As Father Peter observed, “There are several families with children who are regular members of his parish, but regrettably, they all live relatively far away. Our visit, Glory be to God, served to bring some people together for uplifting fellowship.” The service was followed with an *Agape* meal provided by Father George and his Presbytera.
