of our ever-memorable  
Metropolitan Cyprian

† 17 May 2013

## A NOTE OF APPRECIATION

The Members of the Holy Synod in Resistance,  
as well as the Brotherhood of the Holy Monastery  
of Sts. Cyprian and Justina, in Phyle, Attica, Greece,

on the occasion of the Fortieth-Day Memorial

after the repose of our ever-memorable and much-revered Metropolitan,  
Hegumen, Elder, and Father, the Most Reverend Cyprian

hasten to express their warm and heartfelt gratitude to  
all those, both Clergy and Laity, who conveyed  
in writing and verbally their sympathetic support and prayers  
to the Holy Synod and the Brotherhood at the time of his passing.

May

the Lord, who proclaimed that He was the Life and the Resurrection,  
bless all of these, richly rewarding them for all of the laudatory things that they wrote  
or did in honor of our ever-memorable Metropolitan and Elder.

Gratefully

The Members of the Holy Synod
