## **Announcement**

To the Entirety of the Clergy and People of our Church

Beloved Children in the Lord:

Ninety years have passed since the arbitrary innovation in the Festal Calendar in the Greek Orthodox Church, in 1924. This event opened the “back door” for the intrusion of a multitude of innovations and for the Church of Greece to be taken captive by the heresy of ecumenism. At the same time, it signalled the inception of the sacred struggle for the preservation of the Traditions of the Fathers on the part of those pious clergy and faithful, namely the Genuine Orthodox Christians, who opposed the Westernization of Orthodoxy.

Wherefore, the Holy Synod of the Hierarchy of the Church of the True Orthodox Christians of Greece invites Her children in Athens, Piræus, and the wider region of Attica to a rally for the Faith that it is organizing in connection with the ninetieth anniversary of the calendar innovation, in the auditorium of the Port Authority of Piræus, Akte Miaoule 10, at 6:00 p.m.

The main speaker will be His Beatitude, Archbishop Kallinikos of Athens and All Greece.

The rally will take place simultaneously with the Papal visit to the Phanar, an event indicative of the deterioration to which the apostasy of 1924 has led the innovating Bishops, as well as the Greek people, the majority of whom view what is happening with apathy and indifference.

We call on everyone, clergy and laity, to be present at this rally.

At the behest of the Holy Synod  
The First Secretary,  
† Bishop Photios of Marathon
