Dear Metropolitan Cyprian,
Evlogeite!

We want to send you a warm greeting from the parish of Sts. Constantin and Helen with the best wishes for your quick recovery. Every Divine Liturgy we say these words with great emphasis:

“Among the first, be mindful, O Lord, of our Metropolitan Cyprian, whom do Thou grant unto Thy holy Churches in peace, with safety, honor, **health, and length of days**, to teach aright the word of Thy truth”.

We also want to assure you that we fully support you after the union and the steps that you have been taken for the unity of the Church. We know that there are troubles to confront both outside and inside our flock and we truly believe that it's through your divinely inspired wisdom that we have come so far in unity among Old Calendarists and truly believe that your wisdom is needed for the continues success.

We are also truly indebted to your Eminence for your love and protection of our small flock of faithful in Sweden. Without you and your predecessor, our for ever memorable Father and Metropolitan Cyprian, we had never grown so rich!

We therefore hope and pray from the bottom of our hearts for your health and sending some pictures from the feastday of Sts. Constantine and Helen, Trishagion on Mother Pathenias grave and the work of Per-Åke and Father Theocharis on the grave.
