

From Death to Life!
From the Fall to the Resurrection!
Christ is Risen! Truly He is Risen!

Our primordial nature was Spirit-bearing and God-bearing. Our Fall expelled the Holy Spirit.

Man became impoverished and naked.

He squandered the divine wealth.

By means of His Incarnation, Crucifixion, and Resurrection, our Savior, in His love for mankind, refashioned our corrupted nature and restored it to its original beauty and primordial glory, and to communion with Him!

Now He awaits us with divine nobility to return to His Paternal Embrace, and, by our repentance and personal crucifixion, to take possession of the incorruptible wealth of His Life, His Light, and His Grace!

May our All-Holy Mother be our constant Bridge “leading those on earth to Heaven.”

Amen!

Holy Resurrection of Christ our Savior 2019

 Girt with the Towel of Servitude,
