

# A Springtime Journey Towards the Light

† Great Lent 2020

A journey of **R**epentance begins amidst the springtime atmosphere of **P**rayer, **F**asting, **C**ompassion, and mutual **F**orgiveness.

**W**e are all responsible for the evil within us and for that of the world around us.

**B**y means of experiencing the Church's lenten season in our lives, we "redeem" a small portion of our personal responsibility for the worldwide "disorder."

**"F**or we have sinned and committed iniquity...

**C**ause not Thy mercy to depart from us..."

**J**ourneying towards the **L**ight of the **R**esurrection,

"let us embrace one another...  
and forgive those who hate us!"
