

† Holy Resurrection of our Savior Jesus Christ

“Today doth all creation rejoice and is glad;
for Christ is risen and Hades He hath despoiled!”

Christ is Risen! Indeed He is Risen!

Through the radiant **R**esurrection
of our **S**avior **J**esus **C**hrist
“we have passed from
death unto **L**ife”!

We have been granted
the **A**ll-holy and **L**ife-giving **S**pirit!
And “the **L**ove of **G**od is
shed abroad in our hearts”!

We are called to constant vigilance:
“He that loveth not his brother abideth in death.”
“Let us love one another fervently”
in **C**hrist our **B**eloved **S**avior!

May we preserve
the **R**esurrected **D**ignity
of our nature and thus give
a **L**iving **W**itness of the **C**ross
and the **R**esurrection of **C**hrist,
through the intercessions of the
Theotokos and **A**ll the **S**aints! **A**men!
